

Questions and Answers – Lippen Conference

Gene Warr

I. Introduction.

II. There is no sin that does not have its root in selfishness.

III. If you have doubts about being saved, settle it with God. Invite Christ in to save your soul when you believe Jesus died for you and rose from the dead. Either you will be saved or God is a liar. We know we are saved by our love for other Christians and because the Bible says so.

IV. To gain your wife and children's respect, do what God says regarding your wife and children and then get deep down into fellowship with God. (2 Corinthians 3:18)

V. You can love someone enough to bury the past, but it is a divine work. (Isaiah 43:18; Philippians 3:13)

VI. Keep praying for your teenagers.

VII. God has given us children in part that they might raise us.

VIII. Love the unlovable as an act of your will and stay away from them.

IX. Secure victory over yourself by letting the Holy Spirit kill your self-life. (Luke 9:23; John 12:24; Romans 8)

X. We can know it is God's will because God's will never goes against his Word. God wants us to know his will as well. We have to be willing to receive it. (Psalm 37)

XI. If the intensity and frequency of lust is less, you are moving in the right direction.

Application questions:

1. Which question and answer did you find most valuable?

2. Which question might you have answered differently?

3. What lingering questions do you have? What are some good resources you can use to find out more?
