*Lorne Sanny*

## II. State of the Navigators.

### III. The present goal of the speaker: to leave behind a worldwide multiplying ministry. (Isaiah 59)

- A. You cannot present organizational solutions to spiritual problems.
- B. What God does lasts forever and what we do does not last very long.
- C. Prayer is the key.

## IV. Prayer. (Luke 9:23)

- A. You say a big yes to Christ - this is one's inner dedication.
- B. To deny oneself is simply to say no to oneself, and to take up one's cross is simply to say yes to Christ.
- C. Priorities and sacrifice: you cannot say no to one thing without saying no to something else to make room for it. The permanency and effectiveness of one's ministry depends on this.
