

Jeanne Hendricks and her husband, Howard, are nationally recognized authorities in the areas of family and husband-wife relationships. She is the author of *A Mother's Legacy*, encouragement from mothers of the Bible. Jeanne speaks regularly at women's conferences, youth seminars, and family life conferences.

Jeanne and Howard are the parents of four married children.

A Mother's Legacy

This Bible study examines the lives of 10 Bible women and how they handled the challenges of motherhood.

Welcome To Motherhood!

No training, no resume, no interview - but you've got the job! The overtime may be grueling, the responsibility staggering, but the benefits are without equal. Whether your children are almost walking or almost grown, and you're facing problems in parenting or personal attitude, come learn from other mothers what God wants you to know.

A Mother's Legacy guides you through a study of 10 special women from the Word of God. Each lesson focuses on struggles that are as real today as they were centuries ago. You'll also hear from contemporary mothers like author Jeanne Hendricks, and learn ways to apply the practical truths you acquire.

Brief enough to fit into your busy and often unpredictable schedule, yet deep enough to really make a difference, *A Mother's Legacy* lends a helping hand. Being a mother can be the most influential job there is.
